Submission Checklist

☐ Is this _about Go or does it only use Go?

☐ Is the talk topic clear from the title?

☐ Does the abstract explain the problem/topic that your talk will address?

☐ Does the abstract include 2-3 concrete actionable takeaways for the audience?

☐ Does your outline include all major points that you will make and spell out exactly what your recommendations/advice/pros/cons are?

☐ Have a friend read just the title and description. Do they understand what the talk will be about and what they will learn?

Now write that proposal!
